Grace and peace, beloved of God,

The seasons of autumn transformation and stewardship are upon us. Yellow, red, and orange hues saturate the tree line and across the valley as leaves are floating to the ground from the branches above. This is the time of year the congregation pledges support in time, talent, and treasure that Dryland UCC may represent Christ as a beacon of light, hope, and help in the area. This annual process continues a cycle that will bring forth new life and new growth in the coming year.

Just as the splendor of nature mesmerizes and welcomes reflection, the joy and excitement of Dryland UCC families encourage my spirit. I appreciate the warm reception extended to my family and look forward to deepening our relationships and commitments together as Christ's church. Together, we can hold on to God's unchanging hand. Together we can take heart that God has plans to prosper us and to give us hope and a future (Jeremiah 29:11).

I am delighted to serve as your pastor and teacher. A key part of my role is to hear from you. Learning your concerns, hopes, and joys is foundational to deepening our relationship as a people following the way of Jesus. As your pastor, I am committed to leading you in the discovery of who we are as followers of Christ and how God is calling us to unique and refreshing ways of being Christ's ears, eyes, and hands in the community we serve.

When I reflect on what will guide us together on this journey of renewal, I recall the words of God as revealed through the prophet Micah. Though there may be many ways we strive to celebrate God, Micah 6:8 is very clear that we

honor and thank God best by working for justice, loving people through acts of kindness and mercy, and walking humbly with God. This is what the Lord our God requires of us. This is how we can live out our faith as an action that brings the light of Christ to the world.

Let us be encouraged. Let us look to God for wisdom and strength as we prepare our hearts and rededicate ourselves that we may love God in spirit and in truth. Calling upon God will also help us focus on modeling the way of Jesus. This will renew our spirits to also love all people as our neighbors. Love conquers all and invites all people, both familiar and new, to experience Dryland UCC as **a place to belong**.

In Christ's Service,
Pastor Edward

Pastor Edward Livingston Installation Celebration!

On Sunday, November 10th, we will celebrate the installation of Pastor Edward Livingston at 3:00 PM. Following the service, everyone is invited to a buffet style meal in our Christian Education Center. We are very pleased and blessed to have Pastor Edward become a part of the family at Dryland UCC! Please come to welcome him and his family as we celebrate this momentous occasion.

Do you regularly shop at Giant Food Stores for your essential food and other items? If you do, we would like to ask you to consider a program that will financially benefit Dryland U.C.C.

If you shop at Giant and pay for your items by check or by cash, please consider participating in the Giant Gift Card program offered by Dryland. Here is how the program works. You designate the amount of gift card you wish to purchase (i.e. \$50.00, \$100.00, \$200.00, etc.) and pay the church via check or cash for that amount. We will order a

gift card for you in that amount and you are able to use it at any Giant Food Store for the face amount until the balance is used up (no deductions or restrictions). You get full value.

Dryland U.C.C. is given credit of 5% of the amount you order. So, for each \$1,000.00 in cards ordered, the church benefits in the amount of \$50.00.

We have been participating in this program with Giant Stores for several years and the benefit has been about \$1,200.00 annually toward meeting our annual budget. There has been a core group of about 10 members who take advantage of this program. We would like to double or triple this figure to help offset the expenses of the church.

If you have any questions and would like to participate, please contact Jerry Hittinger, Dewayne Heller or Karen Lambert for more details. Funds to purchase the cards are due on the last Sunday of each month.

Girl Scout Troop 8587 news –

Mallory Dawson, along with some of her Girl Scouts Friends, are working to achieve their Bronze Award, which is the highest honor a Girl Scout can earn at the Junior level (4th and 5th grade). This Award involves a minimum of 20 hours for each girl to build their team, explore their community, choose and plan their project, put their plan in motion, and spread the word to educate and inspire others. The Troop has decided to help the pediatric patients at St. Luke’s Hospital. The girls are asking the community to help with donations and materials for them to be able to put together some crafts, activity packets, care packages, and other things to entertain the pediatric patients. The Troop will be sitting in the Narthex on November 17th and November 24th from 9:45-11:45 AM to collect any donated items. They will also leave a bin in the Narthex during that time period if there are items you’d like to bring in between those dates. Here are a few of the basic things they will be asking for:

Donations for the pediatric unit:

- New, never worn lower undergarments for patients between the ages of 2-17
- Gently used books, games, coloring books, toys for the playroom on the unit

Donations for the troop to create and handmade certain items:

- Used crayons for melting
- Fabric to make pillowcases and blankets

INDOOR PROPERTY REPORT

- Meeting Minutes - items completed this month
- Continue in the process of cleaning up the key list and having keys returned to the church for reuse.
 - Fixed light in men’s bathroom CEC (New Bulbs)
 - Alarm system was trouble faulting.... had service man there to correct. Was a hiccup in system.... he rebooted system and appears to be working ok. If it does continue ...he suggested changing of the batteries.... the fault

was saying that the battery charge was the problem, but when he checked it, it was fine. Batteries are 2 – 12V batteries reading had been 13.1 Volts each. If it falls below 12 volts then it is time to change.... normal life expectancy is 4 years. They were installed in 2017.

EVANGELISM REPORT

Again this month, I accompanied Pastor Edward to meet our shut-ins and give communion. We visited Janet Day and Naomi Hunt. We will visit Eleanor Hahn in November. It is with great sadness that we missed visiting with Bill Day before his passing on October 24. If anyone who does not make it to church and would like a visit and communion from our pastor and or myself, please let the office know.

Nancy Catino, Chair

MISSIONS REPORT

Sending a huge **thank you** to everyone who volunteered time and/or donated money to support the Feed My Starving Children event on October 12th and the Bethlehem area CROP walk for hunger on October 13th. We are still accepting donations for these worthwhile causes. Please label any donations accordingly and place them in the offering plate.

Calling all bakers! Missions will be hosting a bake sale during Bingo on November 17th. There will be a sign-up sheet on the Missions bulletin board or email Tracy Jones if you'd like to help: rtjones@ptd.net. Money raised will offset the expenses associated with the Feed my Starving children event, as well as the upcoming Special Olympics dinners which will be hosted at Dryland.

Please be on the lookout for **opportunities to help** set up, prepare food, serve and clean up for our 2 upcoming Special Olympics dinners. The Lehigh County Special Olympics dinner will be Saturday, November 16th at 6 pm. The Bethlehem Special Olympics Athletes' Christmas party will be on Saturday, December 7th at 5 pm. These events will surely be a joyful way to share God's love and show Dryland's support for our community. Thanks in advance for all help!

Nazareth Moravian Church has begun to collect men's, women's and children's winter coats. They also will be collecting other winter items ... snow boots (particularly GOOD children's boots),

caps, scarves, mittens, gloves ... those winter items that will keep someone warm. The Nazareth Area Food Bank will be handing out vouchers early in November. The coat giveaway will take place at Nazareth Moravian Church on Tuesday, November 12th. Please have your donations in by Sunday, November 10th. We will deliver them to Nazareth Moravian on Monday, November 11th. Thank you in advance for your donations and generosity!

MUSIC & WORSHIP

This month the focus of our meeting was the many special Sundays we have coming up from October 2, our meeting date, to December 1, the first Sunday of Advent. First, I would like to thank Joyce for purchasing the breads for World Communion. It makes the experience so much more special when we have that small bit of nourishment from other world nations to remind us that we are one in the Lord. We are still looking forward to All Saints Sunday, Veteran's Day, which is also Stewardship Sunday, and our Thanksgiving Service. After the Thanksgiving service it will be time for hot dogs and chips, followed by preparations for Advent. Time certainly flies by!

Preparations are underway for a particularly special day for our congregation. Our search committee worked diligently as they reviewed resumes and interviewed possible candidates while the congregation waited. On June 2 we approved their selection for new pastor. Reverend Edward Livingston began his tenure with us on September 8, Rally Day. At 3:00 PM on Sunday November 10, PNEC will officially install Pastor Livingston as Pastor of Dryland United Church of Christ. We would love for as many of the congregation as possible to attend what is sure to be an uplifting service...followed by food.

Linda Atwood, Chair

STEWARDSHIP REPORT

Please join us November 17th for our annual Fall bingo! We have amazing prizes with special bonuses, and it's a great day to join in fellowship with our neighbors and friends! Tickets are on sale now at the church office for \$20 in advance. The kitchen will be open as well!

in joining us, or just to see what we do, please feel free to contact Susan at 610-417-2448.

Thank you for being a part of our Dryland community!

TREASURER'S REPORT

The cash receipt and expenditure activity for the period September 1 thru September 30, 2019 is attached. The category Current-Mission-Property encompasses the options on the weekly giving envelope. These costs cover the basic needs to keep your church operational (i.e salaries, utilities, insurance, property maintenance). The Capital category is referring to the capital section of the giving envelope. The monies here are applied to the loan obtained for the sanctuary renovation in 2009. Giant Card program is another way to support the church through Giant Markets giving back 5% of total sales made by obtaining a Giant Gift Card.

The Note area is a guide to keep us on target for meeting our commitments.

Keeping you informed – At the annual congregational meeting held in January, we stated that we have begun replacing the air conditioning units throughout the building. We have a total of 7 units, all having been installed 25+ years ago. Maintenance issues and operating efficiencies have driven us to undertake this task. Approximate cost to replace each unit is \$ 7,500.00. We replaced one in the Christian Education Center in 2018 and by the end of 2019 we will replace one in the sanctuary. We will have another 5 years to complete the remaining units. The replacement cost is an annual budget item approved at the annual congregational meeting.

Also, we have created a short range and long range project list. An immediate short range goal to be completed in the Spring is repair the stucco in front of the church. We have begun allocating funds toward this project. At this time, the projects on this list are marked as funds must be obtained first before the project is started and completed.

Any questions please feel free to contact a member on the Finance Committee.

God Bless.

Dear Dryland Member:

As we move into an uplifting and celebratory Church season of giving and thankfulness, we will be celebrating Stewardship Sunday on November 10, 2019. This day is rather momentous in Dryland's history as we will also be celebrating the installation of our new called Pastor at 3 PM that day.

We are calling you to be a part of our church community, both to celebrate your gifts and talents at our 10:15 service, and then join us for the installation ceremony of Pastor Edward Livingston at 3 PM.

This is the time each year when we have the opportunity to share our God-given talents, time, and treasures with our Dryland Community. Your talents, time, and treasures are vital in our Christian commitment to the operation of the church and the dedication we have to growing our community. With our ongoing mission of sharing God's message, you will be a part of the hands, the heart, and spirit of Jesus in our community.

We have prepared for you a special packet that we ask you fill out and return to Dryland on November 10, 2019. If for some reason you cannot join us November 10 at the 10:15 service, please return to the completed packet to the church office at your earliest convenience.

Thank you for sharing your talents, time, and treasures with Dryland Church. Thank you for taking the time to fill out this information and sharing it with us on November 10!

With Blessings,
Dryland U.C.C.

TRUST IN THE PROMISE - "For surely I know the plans I have for you...to give you a future with hope." Jeremiah 29:11. "Keep your voice from weeping, and your eyes from tears; for there is reward for your work, says the Lord...there is hope for your future: your children shall come back to their own country." Jeremiah 31:16-17

Please Check the boxes of the items that will help you share your time, talents, and treasures with Dryland.
